I WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

(b)(3):10 USC I was told by (b)(3):10
On 30 January 2005 at approx. 1430 hrs. while performing my duties as the SOG at Camp (b)(3):10 that Detainee ISN# 25763-1072 threatened to harm himself if he did not get to see behavioral health. I called DOC and advised them of the situation, and they stated that they would contact beh. health for us. At 1507 hrs. Beh. health arrived onsite. I then escorted (b)(3):10 of the Air Force, and (b)(3):10 the interpreter, to (b)(3):10 to speak with the Detainee. Once introducing the personnel to the detainee I updated his book, and exited the room for privacy, as per the detainee's request. I advised (b)(3):10 that I would be just outside the door if she needed me. I was outside the door with (b)(3):10 about 10 minutes when we heard a female scream from inside the cell. We immediately entered the cell to find both the Beh. Health SSGT., and the interpreter running out covered in feces. I got them out, notified the guard shack requesting immediate medical help as feces had gotten into the eyes and face are of both parties. I then tried to enter the cell in order to retrieve the items left behind, but upon opening the door, I was then assaulted by more bodily fluids. I then had (b)(3):10 contact the field grade officer, (b)(3):10 of the situation, and that the detainee was still throwing bodily fluids. We gave the two assaulted persons showers in vacant cells, and washed their eyes with bottled water. At 1540 hrs. the field grade arrived, and sent the assaulted personnel to the detention hospital for decontamination. We then installed spit shields and were able to feed the detainee chow that had no utensils, and hand cleaner to sanitize his hands.//// End of Statement //// (b)(3):10 USC

WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

(b)(3):10 USC
§ 130b, (b)(6), (b)(7)(C)
I was assigned by me as the on duty sergeant of the guard (SOG) for camp 2/3 due to the block personnel being released to decontaminate themselves after having urine/fecal matter and spit thrown on them. At 1650hrs, 19 Nov 03, an (b)(3):10 USC team arrived to block to remove (b)(2), (b)(6) and take him to block. When the (b)(3):10 USC team removed him from his cell they noticed that (b)(2), (b)(6) had honey in the breast pocket of his shirt. The (b)(3):10 USC team removed the honey and (b)(2), (b)(6) began to swing around and become combative. At this point the (b)(2), (b)(6) team took the detainee down to the ground and took him out of the block. (b)(2), (b)(6) was laid on the outside the block and medical was called to evaluate him due to some blood coming from his mouth. When medical arrived (b)(2), (b)(6) refused to have them evaluate him and said something to the affect of, it is a crime to be seen by medical. The above statement is what was rendered to me by the block guards (b)(3):10 USC § 130b, (b)(6), (b)(7)(C). Upon my arrival with (b)(3):10 USC, the detainee's on block were kicking at their beanholes and throwing cups of liquid and spitting at the MP's. At this point I walked onto the block and through the tier and detainee's in cells 1 (b)(2), (b)(6)

(b)(2), (b)(6) all began to throw cups of liquid some with urine, some with soap and some toilet paper all over me. I yelled for the detainee's to calm down so I can talk with them. They refused and continued to kick and make noise. (b)(3):10 USC then walked the tier and he too got covered with cups of various liquids. At this point the block guards started to turn the water to the cells off and the detainees started to throw cups of various liquids. When dinner arrived the MP guards served the meal. After the meal the above listed detainees began to tear up the plates and threw the plates and orange peels in the tier making a mess of the tier way. After dinner we proceeded to collect all the detainees cups and the detainees continued to throw liquids and spit on the MP's. The detainees would tear up their cups and throw them on the floor of the tier or out their back windows. At this point myself, (b)(3):10 USC and the block guards were covered from head to toe with urine, spit and whatever other liquids they were throwing. I called for a (b)(3):10 USC team and took (b)(3):10 USC off of block (due to meals served and no other major issues occurring) and took (b)(3):10 USC from roving sally and replaced the block guards so they can get checked out at medical and go home and clean-up and shower. The (b)(3):10 USC guards then began to clean-up the block. At this point the block had calmed down so I departed to handle other duties. (b)(3):10 USC
